Texas Muslim Women's Foundation (TMWF) will be hosting the **6th annual Mother's Day Luncheon on May 10, 2017**. We are honored to have one of the world's leading experts in Islamic art, Dr. Sabiha Al Khemir presenting on "**Islamic Art, Mirror of a Great Civilization**". In preparation for this event, we humbly request your valuable support.

Formed in 2005, **TMWF works to empower, promote and support all women and their families through education, outreach, philanthropy and social services.**

With your help, TMWF has improved the lives of many and made a great impact on the community. We have established:

- **Culturally Sensitive Social Services** programming providing aid for families in need including counseling, food, shelter, housing assistance, educational financial aid and scholarships
- One of **7 Trauma Informed Evidence Based Domestic Violence Program** in the nation including
 - **Peaceful Oasis Shelter** - open to all faiths, Peaceful Oasis is the first and only family violence crisis shelter in Texas addressing the specific language, faith, diet, social and legal needs of Muslim women
 - **24-hour Emergency Hotline, Crisis Counseling and Case Management**
 - **Intervention services** designed to increase awareness within the mainstream and Muslim communities.
- **Education programming featuring the Islamic Art Revival Series** which encourages vibrant cross-cultural exchange amongst all faiths and cultures
- A very active **Youth Leadership program** that involves youth in volunteer and civic service projects across the Dallas/Fort Worth Metroplex. This program involves youth in **over 600 volunteer hours every year.**
- Sponsored **Interfaith dialogues** with Christian, Jewish and other faith communities that serve to address the community's most pressing needs

Our programs and services reach thousands of people annually and your donations directly affect our ability to provide services and aid for people in need.

We hope you will consider supporting this tremendous effort and we have included available sponsorship options for our fundraising dinner as well as more information on the community impact of our programs in 2016. As you review our request know that your commitment will encourage others within the community to join in supporting our cause, but most importantly, it will help to improve the lives of many.

Please call Mona Kafeel at 469-277-6272 or email coo@tmwf.org for further information.

With gratitude,
