Texas Muslim Women's Foundation (TMWF) will be hosting our **International Women's Day Luncheon, March 3rd, 2019** with **guest speaker Dr. Azizah al-Hibri, founder of KARAMAH**. KARAMAH: Muslim Women Lawyers for Human Rights is a nonprofit organization committed to promoting human rights globally, especially gender equity, religious freedom and civil rights in the United States. It pursues its mission through education, legal outreach and advocacy. The workshops will be focused on the applicability of Islamic laws to modern-day issues and human rights. We are thrilled to welcome Dr. Azizah al-Hibri and KARAMAH to Dallas.

In preparation for this event, we are offering you an incredible opportunity to invest in our much-needed programs. Formed in 2005, **TMWF works to empower, promote and support all women and their families through education, outreach, philanthropy and social services.**

In a short span of time TMWF has improved the lives of many and made a great impact on the community. We have established:

- **Culturally Sensitive and Trauma-Informed Social Services** programming providing aid for families in need including counseling, food, shelter, housing assistance, educational financial aid and scholarships. We were the first domestic violence program in the country to offer this unique aid.
- We are now one of **7 Trauma-Informed and Evidence-Based Domestic Violence Programs** in the nation including
  - **24-hour Peaceful Oasis Shelter** - open to all faiths, Peaceful Oasis the first and only family violence crisis shelter in Texas addressing the specific language, faith, diet, social and legal needs of Muslim women.
  - **24-hour Crisis hotline, Crisis Counseling and Case Management.**
  - **Intervention services** designed to increase awareness within the mainstream and Muslim communities.
  - **A Second 24-hour Crisis Shelter, Musarrat Home** – to be opened in upcoming months, increasing our capacity to take in and support women and families in need
- **Educational programming featuring the Islamic Art Revival Series** which encourages vibrant cross-cultural exchange amongst all faiths and builds bridges amongst all cultures.
- A very active **Youth Leadership Development program** that involves youth in volunteer and civic service projects across the Dallas/Fort Worth Metroplex. This program involves youth in **over 800 volunteer hours every year.**
- Sponsored **Interfaith dialogues** with Christian, Jewish and other faith communities that serve to address our community's most pressing needs.

**Our programs and services reach thousands of people annually and your donations directly affect our ability to provide services and aid for people in need.**

We hope you will consider supporting this tremendous effort. We have included available sponsorship options for our fundraising dinner and are happy to provide more information on the community impact of our programs in 2018 upon request. As you review our request know that your commitment will encourage others within the community to join us in your investment with our cause, but most importantly, it will help to improve the lives of many.
